- 5) PROGRAM – After sharing some very funny stories, 1st Vice-District Governor, Jeff Snyder, talked to the Club about the difference between joining the Lions and becoming a Lion. He said that he had been a member of his Lions Club for some time before he truly became a Lion through the feedback and the good feeling that comes from helping someone less fortunate. He stressed that it is important for us as Lions to be out in the community: visible, active, and available to help.
- 6) UPCOMING EVENTS – April: Spring Conference and District Convention; May: State Convention (District 13D is the official host – ads are solicited for the program booklet).
- 7) LOW VISION READING MACHINE – Uniontown Lions Club is pursuing this with our Club's cooperation and joint support.
- 8) THANKS FOR "WE SERVE DAY" – King Lion Dave thanked those members who volunteered their time on December 19 to help clean up the Manor House at Quail Hollow. He suggested having another such volunteer clean-up day just before the Craft and Herb Fair.
- 9) NEW MEMBER – Mr. Edward Williams attended the meeting as a guest, and left the meeting as the newest member of the Hartville Lions Club! Congratulations, and welcome to the Club, Ed!!
- 10) INTRODUCTIONS – Meeting participants took a few minutes going around the table to introduce themselves to our guests and our newest member.

HUMOR

- A gang of robbers broke into a retired lawyer's club by mistake. The old lawyers gave them a fight for their life and their money. The gang was very happy to escape.

"It ain't so bad," one crook noted. "We got \$25 between us."

The boss screamed, "I warned you to stay clear of lawyers! We had \$100 when we broke in!"

- After just a few years of a marriage filled with constant arguments, a young man and his wife decided the only way to save their marriage was to try counseling. They had been at each other's throats for some time and felt that this was their last straw. When they arrived at the counselor's office, the counselor jumped right in and opened the floor for discussion.

"What seems to be the problem?" Immediately, the husband held his long face down without anything to say. On the other hand, the wife began talking 90 miles an hour, describing all the things wrong with their marriage.

After listening to the wife for 15 minutes, the counselor went over to her, picked her up by her shoulders, kissed her passionately for several minutes, and sat her back down. Afterwards, the wife sat there speechless.

He looked over at the husband who was staring in disbelief at what had happened. The counselor spoke to the husband, "Your wife NEEDS that at least twice a week!"

The husband scratched his head and replied, "I can bring her here on Tuesdays and Thursdays."
