HUMOR

- Finnegan sold Clancy a donkey. Three weeks later they met in Murphy’s pub and Clancy says: “Hey, Finnegan, that donkey you sold me just dropped over and died!” Finnegan sipped his pint and chirped up: “Now isn’t that something! He’s never done that before!!”
- Sam was a tightwad. He also had a troublesome tooth, and decided to have it extracted. “How much will it cost?” he asked. “\$50,” replied the dentist. “That seems like a lot of money for only a few of minutes of work” said Sam. “Well, I can pull it slowly if you like,” said the dentist. Sam thought for awhile and then said: “Look, here's \$5. Just loosen it a little.”
