HUMOR

Cosmic Questions:

- Why is the third hand on the watch called the second hand?
- Why do we say something is out of whack? What is a whack?
- Why does "fat chance" and "slim chance" mean the same thing?
- Why do "tug" boats push their barges?
- If all the world is a stage, where is the audience sitting?
- How come abbreviated is such a long word?
- Christmas: at what other time of the year do you sit in front of a dead tree and eat candy out of your socks?
