Next Meeting

Did you sign up? It's that time again, summer's closing (way too fast), and a new Lions year is beginning Monday, August 23rd at 6:30 with our Annual Steak Dinner at Lake-O-Pines prepared by Master Chef Tim Rummins.

Notes from the Uniontown Festival

A special thank you goes to Russ and Carolyn Koch for again putting together a successful Dunk Tank operation. A total of 108 man/woman hours were generated by the following Lions who chased balls, shuffled student volunteers, collected cash, and endured extreme heat and humidity with mud and occasional rain showers: Rand Luckner, Russ and Carolyn Koch, Bev Green, Bill and Anna Erb, Harry Wall, Dave Lawson, Dave and Sue Rennels, Laverne Strohfus, Brain Kuryan, Pete Procaccio, Nate Hershman, Jim Bair and his grandson Jacob Truett, and Mel Harding. These Lions, along with the 55 Lake High School Students who participated in being dunked helped the club earn over \$800.00 in profits. Community Service certificates will be presented to all 55 students who helped make this a fun and profitable venture for our Club.

Earlier in the day Anna and Bill Erb, Rank Luckner, and Bev Green rode in the parade in an antique car donated by Lion Morris Dingman. Morris also provided, and drove, an antique vehicle for some Lake Township officials in the parade.

Funny I hope

A doctor in Duluth wanted to get off work and go hunting, so he approached his assistant "Ole". Ole, I am goin' huntin' tomorrow and don't want to close the clinic. I want you to take care of the clinic and all my patients. "Yes Sir" Ole answered. The following day the Doctor returns and Ole gave his report on the three patients he had taken care of. The 1st had a headache so I gave him TYLENOL. The 2nd had a burning stomach and I gave him MAALOX. The doctor praised Ole for his good judgment and asked about the 3rd patient. Ole replied "Sir, I was sitting here and suddenly the door opens and a woman enters. Like a flame, she undresses herself, taking off everything including her panties and lies down on the table and shouts HELP ME - I haven't seen a man in over two years!" What did you do the doctor ask Ole he replied "Of course I put drops in her eyes."
